Explanation of Terms

Highlight Film – The perfect way to show your wedding day! We use the perfect moments from speeches, vows and candid clips to create a beautiful film to share with friends and family.

Complete Ceremony – We take all the best camera angles and audio and put it into one clip showing your ceremony from start to finish. This is a documentary edit and is exactly what your ceremony looked like with no added edits or effects.

Footage – Footage is put together using the different camera angles. This is a documentary style edit. No additional editing or effects are added.

Online Theatre – A custom link to all of the films included in your collection. Can be viewed online, shared and downloaded.
